Below is your child's Stationery List for 2020. Whilst we appreciate there may be some items that can be reused from previous years or supplied from home, we would appreciate it if you could purchase all exercise books through this process with COS.

Teachers have put a lot of thought into choosing the correct exercise book and finding books of a high quality which assists with students learning and presentation. It also ensures the book has the correct line spacing and size required for the learning shown in that particular book.

If you have any questions regarding this, please contact the school.
