### Dear Families and Friends,

Wow, what a week it has been! We started with a bit of a setback with our first 3/4 Camp Group when the high winds on Monday postponed the start of the camp at Birrigai. Thank you to our families who worked with us in the morning and to our staff who banded together with Birrigai to organise recess and lunch for the day. A huge thank you to our 3/4 teachers and students who rallied and were so flexible and resilient when the changes were announced. Just a reminder that we will be organising a day trip later this term for Group 1 to make up the missed day. Both groups have had a fantastic time, working

collaboratively and demonstrating their risk-taking on activities such as the Vertical Playground. We have enjoyed seeing the pictures and videos on our School Story posts over the week.

### Year 6 Exhibition

On Wednesday night we had our Year 6 Exhibition opening for family and friends. Students and teachers shared their journey over the last 10 weeks with a fabulous start in the hall. Our students' reflections on themselves as inquirers and learners were amazing and demonstrated just how much they have grown and all they have learned on the transdisciplinary theme of *Sharing the Planet*. Under this guiding idea, they explored a range of topics from sustainable housing, through to gender equality, fast fashion, homelessness, disability education, equality in sport and the causes and impacts of Climate Change. When talking to everyone who attended the Exhibition, the one key piece of feedback was how well each and every student could speak about their inquiry. They have shown how they can understand these big ideas, engage in quality research and inquiry and make considered choices about how to take action. In his reflection on the process Mr Heywood shared some of these actions which included a student who interviewed a minister on climate change, the group who ran a junior sports club for girls, those who organised care packages for the homeless and the student who toured a school for students with a disability? Some of this action will continue next week when many of the stalls at our Sideshow Alley at the P and C Movie Night will be fundraising for their chosen charity. Jarryd also shared the impact the students' action has personally had upon him.

*Never did I think I would participate in a vegan challenge and eat no animal products for a week. Nor did I think, 2 weeks later, I would still be eating scrambled tofu and sipping on soy chai lattes. I also didn't really get a choice when 2 girls signed me up to a composting service in my local suburb, which I now use religiously. But that's what happens when you work with an inspiring group of young people who have passionately pursued their learning for the last 10 weeks*

After starting their Exhibition journey watching the film 2040, they enthusiastically showed all of us just what bright futures they have, and how they will be changing the world someday whether they be small, private changes or big public ones for all to see. On behalf of our year 6 students, we would like to ask you what you think you might be able to do to have an impact on our world - What's your 2040?

*At North Ainslie we strive to be*

### Donations for Sideshow Alley

Some of our senior students will be holding stalls at the P & C's Movie Night next week to raise funds towards school projects and for charities of their choice. If you are able to help them out, we would love donations of:

- Individual or family blocks of chocolate
- Good quality, unwanted toys
- Good quality, unwanted books
- Large bottles of soft drink to make ice-cream spiders

### National Recycling Week

This week we celebrated National Recycling Week. Yesterday the school held a big weigh-in with all classes weighing their waste for the day. All week, classes have been encouraged to think about how much waste they are creating and used their learning in their inquiries to think about their choices and how to take action. Thanks to our student Green Team and our PACH Teachers, Amy Pepper and Kylie Giltrap, for all their organisation and encouragement of sustainability at our school.

### Year 5 Combined Band

Tuesday saw our year 5 band combining with our cluster bands to practise and perform as one large band. Once again, they demonstrated just how far they have come in their first year as a band performing with confidence and enthusiasm. Thanks to Kath Bingham for all of her leadership of the band.

### Safe Cycle for Families - New ACT health online resource for families

ACT Health has launched a new online resource to help families get bike riding! A range of topics are included from teaching children to ride, through to basic bike maintenance skills e.g. changing a tyre. This resource is filled with videos and downloadable posters and is worth having a browse through with your children.

### Leaving NAPS in 2020

If you are leaving our school at the end of the year, we would appreciate you letting us know so we can continue to plan our classes for next year. The best option is to let both your class teacher and the front office know. The best email to use is: [admin@nthainslieps.act.edu.au](mailto:admin@nthainslieps.act.edu.au)

### Semester 2 Reports

If you do not want to receive an A to E report with your child's school report at the end of the term, please let Rikkie Klootwijk know as soon as possible to ensure we can set the new reporting system up correctly.

Have a wonderful weekend.

## National Recycling Week at NAPS

National Recycling Week is a great opportunity to be mindful about the waste we create. Did you know that students at NAPS are leading the way in recycling? We have bins for mixed recycling, soft plastics, paper and cardboard, and compost our food scraps. We are also a collection point for the Container Deposit Scheme and the Lids for Kids.

This week our Green Team ran a competition to see which class would win the title of NAPS Waste Warriors. We were impressed with all the classes efforts to reduce their landfill waste. There are four winners of the waste-free popcorn party. Congratulations to the Waste Warriors:

**5/6JH, 1/2YJ, 1/2SH and 1/2 (Rachel and Kate) – all with zero waste!!! Fantastic recycling.**

### Art and Drawing Workshops for K\*-Yr 6

We explore a variety of mediums with a focus on building confidence in your child's creativity through drawing skills and art techniques. At **artKids**, there are no such things as mistakes or 'flops' in art, only 'flopportunities'! Workshops run 3.00 – 5.00 pm **Tuesday (New!), Wednesday (extra K-2 class added!) and Thursday**. Children have afternoon tea and then walked to the art room. Parents collect children at 5 pm sharp from the art room. Cost is \$35 per week, payable by term and includes afternoon tea, all materials used in class and GST.

\* Kindergarten children will be considered after a trial session.
